## WHO IS BEYOND MEAT AND WHAT MAKES US SO SPECIAL

### OUR MISSION:

To feed a better future – sustainably while  
preserving resources. All for the sake of  
animal welfare, people and the environment.

### We are owner-run and independent

Founded in 2009 in the USA, Beyond Meat is a  
leader in plant-based meat. The company is  
led by founder Ethan Brown.

### We have one consistent goal

We enable people to eat fewer animal  
products without compromising on  
taste. Our promise: Eat What You Love™

### We are absolute specialists in our field

In our product development department  
scientists, food technologists and chefs strive  
to create the perfect meat flavour and highest  
product quality.

### We think globally and operate locally

Beyond Meat products for Europe are  
manufactured in the Netherlands.

# OUR BEYOND MEAT PRODUCTS ARE MADE FROM THESE MAIN INGREDIENTS\*

Our ingredients come from plants and are processed into plant-based meat using innovative cooking methods and preparation techniques like heating, cooling, pressure.

## OUR PROTEINS

are obtained mainly from peas, faba beans and brown rice.

## MINERALS

like calcium, iron, salt, calcium chloride are important for flavour.

## CARBOHYDRATES

potato starch and plant fibres (methyl cellulose) bind the ingredients together.

## COLOURS

beetroot juice extract is added to give a meaty color.

## OUR FATS

come for example from coconut, cocoa butter, sunflower oil and rapeseed oil.

\* This list is just examples of the main ingredients. Please see our sell sheets or product packages for a full list of ingredients per product.

The image is a promotional advertisement for Beyond Steak. It features two main visual elements: a top-down view of a bowl filled with seared steak pieces, noodles, and various vegetables like broccoli, carrots, and onions, garnished with fresh herbs; and a bottom-down view of a black frying pan on a stovetop, containing a large portion of the seared steak pieces. To the left of the pan, there is a wooden cutting board with fresh ingredients including ginger, garlic, and broccoli. The background is a dark green gradient.

# BEYOND STEAK<sup>®</sup>

## PLANT-BASED PIECES

Innovative seared steak pieces made from plants.

### WHAT IS IT?

These revolutionary plant-based steak pieces are tender, juicy and taste just like beef steak. Made from plant-based ingredients, these seared steak tips are not only delicious, but cook in just a few minutes. It is the perfect topping for gourmet dishes, salads, bowls or for any meal with steak.

### WHY EVERYBODY LOVES IT

Beyond Steak<sup>®</sup> tastes so authentic and meaty that it's almost indistinguishable from beef, so even the most ardent carnivores will love it. It's also super versatile, perfect for use in all kinds of different dishes and for many meal occasions.

Plus Beyond Steak<sup>®</sup> is quick to cook; in 5 minutes or less it's ready to serve to create a meaty plant-based masterpiece within minutes!

# BEYOND TENDERS™

Plant-based chicken-style tenders

We skipped the chicken part, not the tender part.

## WHAT IS IT?

The Beyond Tenders™ taste almost indistinguishable from animal chicken, yet they are purely plant-based and are vegan certified. The Beyond Tenders™ are significantly larger than standard market “nuggets” so they can be used in a variety of ways, such as in salads, sandwiches, as a fried chicken starter or a main dish with chips.

## WHY EVERYBODY LOVES IT?

- Like all Beyond Meat products, Beyond Tenders™ are designed to be extremely close to their animal counterparts in taste, appearance and consistency.
- The plant-based Beyond Tenders™ are quick and easy to prepare in the (air) fryer or oven and are perfect as a main course or snack.
- Using innovative processes, Beyond Tenders™ are made from high-quality plant-based ingredients and with 15 grams of protein per 100g, they are an excellent source of protein.

# BEYOND SCHNITZEL®

Plant-based chicken-style schnitzel

A classic everybody loves: crispy on the outside, juicy on the inside.

## WHAT IS IT?

Beyond Schnitzel® is crispy on the outside and has a great juicy bite. Beyond Schnitzel® is a quick-to-prepare option for days you don't have much time to cook, but do want to have something you feel good about eating. Without any fuss you can prepare a simple but satisfying meal. Just add some french fries and a salad and enjoy!

## WHY EVERYBODY LOVES IT

- Made from high-quality plant-based ingredients, the Beyond Schnitzel® is packed with 14g of protein per schnitzel.
- Easy to prepare in the airfryer or pan.
- Like all Beyond Meat products, Beyond Schnitzel® is designed to be extremely close to the animal counterpart. Special focus is put on the juiciness and crunchy bite.

# BEYOND NUGGETS™

Plant-based chicken-style nuggets

Dip, eat, share!

## WHAT IS IT?

Who doesn't love nuggets? They're convenient and simple to make. Crispy on the outside and oh so juicy on the inside. And they're just plain fun to dip, eat and share. But sometimes, a better-for-you, plant based alternative makes more sense – for you, your family...your kids.

## WHY EVERYBODY LOVES IT

- They are perfect for lunchtime, dinners or maybe just a delicious snack in between. They are everything you'd expect from a "classic" chicken nugget... and Beyond.
- Beyond Chicken Nuggets™ are a good source of protein with 15g per serving.
- For ultimate convenience, they can be stored in your freezer and are ready to heat in your air-fryer, oven or frying pan in less than 10 minutes.

# BEYOND SMASH™

IMPROVED  
RECIPE

Plant-based beef-style patties

A burger made for smashing, thinner & crunchier!

## WHAT IS IT?

The Beyond Smash™ is a thinner burger, ideal for smashing. If you smash this burger during cooking, you can get to the best taste experience, meaty and crunchy with a nice bite. Add your own style and toppings and create your own signature burger. Made from high-quality plant-based ingredients and just as juicy and meaty as the original Beyond Burger®.

## HOW IT'S MADE

We rebuild meat from the ground up. Peas provide the protein; beetroot provides the meaty red hue and coconut oil and potato starch offer mouth-watering juiciness and chew. Through our unique process of braiding together proteins and fats, we're able to recreate the basic architecture, and thus texture, of meat that carnivores know and crave. It's meat that's made from plants, made for meat lovers.

# BEYOND MINI SAUSAGE™

Plant-based pork-style sausages

Juicy and delicious; the whole family's favorite.

## WHAT IS IT?

The Beyond Mini Sausage™. Exactly the same great taste you love, now the perfect size for all occasions; from a cooked breakfast, quick lunch or your evening meal. Made from high quality plant-based ingredients, with a juicy bite, and a texture and flavour that's just like traditional meat, it'll be the whole family's favourite.

## WHY EVERYBODY LOVES IT?

Beyond Mini Sausage's™ meat-like texture is a blend of plant-based ingredients. Peas, fava beans and rice provide the protein. Trace amounts of beet lend a meaty color, and coconut oil ensures mouthwatering juiciness. And it's all wrapped inside a remarkable 100% plant-based casing derived from algae. Through our unique process of braiding together proteins and fats, we're able to recreate the basic architecture, and thus texture, of meat that carnivores know and crave. It's meat that's made from plants, made for meat lovers.
